July

Prayer Calendar

- 01 Thurs. **South Asia**
Pray for our Giving Match to be met by July 24th.
- 02 Fri. **Myanmar (Burma)**
"Your prayers are our strength. This is a great challenging time for the people of Myanmar because of the Coup as well as Covid 19. Our lives seem to be harder day by day. To give help to the physical needs of the poor is to help grow their spiritual lives in Jesus Christ." ~ Pastor Pan*
- 03 Sat. **India**
Pray for the healing of our pastors and missionaries who are currently ill with the virus.
- 04 Sun. **Nepal**
"During this pandemic we lost more than 35 pastors; another 50 pastors are on ventilators. They need to pay every day about \$200 & there is no assurance they will be healed. In Nepal, hospitals are looting like anything - the government doesn't regulate. If poor Christians need to go to the hospital they will die without getting treatment. So it is our responsibility to save our brothers & sisters in The Lord. Thanking you so much for all your help, support & prayer." ~ Pastor Shalva*, Nepal Director
- 05 Mon. **Bhutan**
"Praise God. I was so discouraged due to lockdowns, not being able to do the ministry like before. God helped me to spend more time in prayer with my family. I and my family are so recharged to go for an extra mile." ~ Anzan*
- 06 Tues. **Nepal-Tibet Border**
Pray as monsoon season is particularly dangerous this year; it's already wiped out an entire village.
- 07 Wed. **Andaman Islands**
"Still churches are closed as there are more cases. Daily laborers are suffering. Pray for them. All our missionaries are fine. On behalf of them I extend my heartfelt wishes & prayers for your kingdom work." ~ Ram*, Andaman Director
- 08 Thurs. **Bangladesh**
Praise God: four clean water tanks were recently put in communities impacted by Cyclone Yaas.

- 09 Fri. **India**
"Praise God. With \$3000 for relief, we prepared packets of dry food rations; we distributed among 100 families who either suffered from COVID or economically (each packet sufficient for a family of four for two weeks). The people were very much happy." ~ Pastor Suraj*
- 10 Sat. **Kashmir**
"Keep us in your prayers. 25 houses were damaged due to fire in my town; they are sweepers & poor people." ~ Pastor Peter*, Kashmir Director
- 11 Sun. **Myanmar (Burma)**
"Some of our partners have left their homes [because of fighting]. They came back, not to their home, but nearby where they are safe. Thank you very much for all your prayers." ~ Pastor Thang*
- 12 Mon. **Nepal**
Pray for comfort & peace of our Nepal Director, Shalva, and his wife Jandi*; they bear the burdens of hundreds of suffering pastors & believers, as well as planning and carrying out relief projects.
- 13 Tues. **Bangladesh**
"Due to the pandemic, I could not go out as I had planned in the previous duration. I tried to keep all our missionaries in His hand that He may keep all of us safe. As we were busy praying for all, very suddenly, my daughter developed a fever. I took her to the hospital where they treated her by giving her some medications. Side by side, the Lord told me that we should continue to pray for all. So, prayer is a way to keep connection to Lord Jesus, and we did this." ~ Babai*
- 14 Wed. **Bhutan - Drukpa Tshe Zhi (Buddha's 1st Sermon)**
As the country celebrates the holiday, pray for believers faithfully continuing to share the truth of Christ in this Buddhist Kingdom.
- 15 Thurs. **Pakistan**

I hope to bring more people to the Lord and reach many unreached, fellowship-deprived people for God's Kingdom, in the next months. ~ Tej*

18 Sun. **Andaman Islands**
Pray for all of our leaders who are ill with the virus, or who are unable to be treated for other illnesses because of Covid-19 restrictions.

19 Mon. **Myanmar (Burma) - Martyrs Day (Arzarni Day)**
Normally on this day the country honors General Aung San, their independence leader, on the day he was assassinated in 1947. This year, his daughter, Aung San Suu Kyi, has been overthrown from her democratically elected position by the military. Pray for the continued struggle for peace and justice in the country following the coup.

20 Tues. **Bangladesh**
Pray for new doors to be opened for ministry through education and outreach to children.

21 Wed. **Sri Lanka**
"We can't conduct Sunday services due to strict regulations of the health authorities. We are connecting with believers on the phone for prayer. One village is completely isolated; pastors & believers of our church in the village are also isolated. Please pray for them. In my village five families are affected by Covid-19. Please pray for my village & my family." ~ Sukeena*

**Names changed for safety*

As our Summer Giving Match ends today, pray that the funds raised - as with all of our funds - are used for God's Glory.

25 Sun. **Bangladesh**
"The meaning of the Good Samaritan: "Jesus said unto him, 'go and do thou likewise'". In this pandemic situation everybody can come forward to help. It is most needed to do humanitarian work for believers & non-believers. Our little ethnic ministry has been doing this; it is especially important in this most crucial moment. Please pray." ~ Pastor Darpan*, Bangladesh Director

26 Mon. **India**
"Pray as I want to help the families of believers & pastors who have died from the Coronavirus. So, I need some help for medical support and food for their children." ~ Pastor Jairaj*, India Director

27 Tues. **Kashmir**
"Praise God. As we look back and see this pandemic coronavirus, we see The Lord granted us wisdom." ~ Pastor Peter*

28 Wed. **Myanmar (Burma)**
There are no simple solutions to the ongoing coup; pray that the Lord uses His people in places of power around the world to take discerning action to save and stand with the citizens of Myanmar.

29 Thurs. **Nepal**
"I have no words to explain the situation that children and women are facing. Our concern is to help the poorest of poor irrespective of religion, caste, color, social strata. We want to save at least a few through tireless prayers, help and support." ~ Pastor Shalva*, Nepal Director
