01 Thursday • Nepal
October is normally a month of festivals and joy in Nepal. As the country mourns unimaginable loss following the flash floods in August, pray for comfort for families as they experience these holidays for the first time without their loved ones.

02 Friday • International Day of Non-Violence
In a world of increasing violence, pray for the courage to be a peacemaker, rather than a peacekeeper.

03 Saturday • Nepal-Tibet Border
Pray for our six missionaries who lost many in their communities and churches in the flash floods—Gyan*, Gajra*, Ratul*, Bhim*, Amit*, and Bibhu*. Pray for their comfort and safety, as they serve others tirelessly in this season. Pray for their ability to tangibly show the love of Christ during this time of tragedy.

04 Sunday • Ministry Training & Tools: Andaman Islands
Praise God that this year, we have been able to support the years-long vision of our Andaman Islands coordinator, Pastor Ram*, to begin a lay church leader training, alongside a small Biblical resource library.

“The church needs to raise/train the believers, lay leaders for the ministry. Those who have not done any theological study can be included in this. This is not for full time ministry training, but to challenge all the believers to become the disciple of Christ. The churches will grow and many new people will come to Christ. Wherever they are working, there they will be witness and share the gospel without any fear.” Pastor Ram

05 Monday • Myanmar
“The people of Myanmar continue to face great challenges since the coup, as the junta government uses long-range missiles and airstrikes against innocent civilians and conscripts young people. But by God’s protection, my family remains safe and continues our ministry till today. We all enjoy the blessings of God in our lives and we praise Him for His protection and provision. It is because of your support and prayers.” Lwin*, M56

06 Tuesday • India
Praise God! “A young man was struggling with addictions. Through regular prayer, counseling, and hearing the Word of God, his life began to change. Today, he is free from his old habits and actively participates in ministry activities.” Raj*, M46

07 Wednesday • Bhutan
Praise God! “12 people were baptized in the past six months.” Gabriel*, M31

08 Thursday • Nepal
“Pray for our ongoing church services in all parts of Nepal. Please pray that I will be able to help more people grow closer and improve their relationship with God.” Chapal*, M58

09 Friday • Ministry Training & Tools: Bangladesh
Pray for the success of a conference happening this week for 150 new believers and church leaders.

“Ultimately, the goal is for leaders to return to the workplace/field level with the ability to ‘lead from the balcony’, to lead in the believing and non-believing communities. They will see more fruit by seeing the big picture, enabling their ability to earn new souls for the Kingdom.” Pastor Darpan*, country coordinator

10 Saturday • World Mental Health Day
Pray for our leaders to be open about their mental health struggles with their communities. Often, as leaders, they suffer in silence as the physical suffering around them takes precedence. Pray for Harvest Bridge as we work to come alongside their mental health needs.

This is more than just holding two Bibles. It represents God’s Word reaching both the Telugu-speaking people and my Banjara tribal community. Thank you all for helping us place God’s Word into the hands of many people. To God be all the glory!” Praise God for people being able to read the Bible in their heart language.

“I saw their physical needs as well as their spiritual needs. So, it will be great if we can conduct the Bible camp in those areas as all of them need to hear the gospel message of Jesus Christ.” Pastor Kap*

In the midst of war, our leaders have been able to hold several small Bible conferences, mainly in refugee and IDP (Internally Displaced People) camps. Pray for the resources and opportunities needed to hold more camps in the future! We thank God for how He is able to do much with little, even in refugee camps.

31

Saturday · Ministry Training & Tools: Bhutan

Praise God for a recent leadership conference for 150 young church leaders.

“In Bhutan, many believers are often driven by fear and lack adequate training. Amidst the ongoing persecution, it is essential to equip and empower leaders with the Word of God to fortify the body of Christ in the country. It is imperative to train and empower leaders with Biblical values at this critical juncture. Providing them with insights into the role of leadership in the Church, especially in evangelism and disciple-making, is fundamental to establishing a stable church in Bhutan.” Pastor Jagan*, country coordinator
